

Dear Out-of-State Florida Lawyers,

It has been a privilege to serve as out -of-state members of the Florida Bar's Board of Governors. As out-of-state members, we know that Bar rules, policies, and initiatives can affect our practices in distinct and sometimes unintended ways. Strong Bar leadership requires an appreciation for those differences and a willingness to listen to lawyers wherever they practice.

We write to share information about the **contested election for Florida Bar President-Elect** and to express our collective support for **Paige Greenlee**.

Paige is a respected, experienced leader who currently serves as an **elected member of the Florida Bar Board of Governors** and on its **Executive Committee**. Throughout her years of Bar service, she has demonstrated a consistent commitment to understanding how Bar decisions impact lawyers practicing both inside and outside Florida. Her leadership style reflects careful listening, institutional knowledge, and a deep respect for the diverse ways Florida lawyers serve clients across the country.

We believe Paige brings the judgment, experience, and perspective needed to lead The Florida Bar thoughtfully during a time of change, while remaining grounded in the realities of practice for all members, including those of us who live and work outside Florida.

We encourage you to learn more about Paige, her experience, and the many lawyers across the state and beyond who support her candidacy by visiting www.VoteForPaige.com
