

Dear Members of the Florida Association for Women Lawyers,

As Past Presidents of the Florida Association for Women Lawyers, we have had the privilege of leading an organization dedicated to promoting gender equality, advancing women into leadership roles within the legal profession and judiciary, and upholding the highest standards of integrity, honor, and courtesy.

In this contested election for Florida Bar President-Elect, we are proud to support Paige Greenlee.

Paige has been a longstanding member of FAWL and reflects the leadership values our organization champions — thoughtful preparation, principled decision-making, service to the profession, and a deep respect for the administration of justice. Her record within The Florida Bar demonstrates that commitment. She has served as President of the Young Lawyers Division, as an elected member of the Board of Governors since 2018, and on the Executive Committee, and has chaired or co-chaired key committees overseeing governance, discipline, communications, and technology.

Leadership of a self-governing Bar requires institutional knowledge, steady judgment, and a willingness to listen. Over the past year, Paige has traveled throughout the state meeting with lawyers across practice areas and voluntary bar associations, reinforcing her commitment to inclusive, service-driven leadership.

This is a contested election, and participation will determine the outcome.

Voting takes place February 27 through March 15, and ballots are available in your Florida Bar Member Portal. We encourage you to learn more about Paige's experience, vision, and broad statewide support at www.VoteForPaige.com and to cast your vote for Paige Greenlee for Florida Bar President-Elect.
