

In Support of Braxton Gillam for Florida Bar President-Elect

As former Presidents of the Jacksonville Bar Association, we are proud to support Braxton Gillam in his candidacy for President-Elect of The Florida Bar.

Braxton reflects the strong tradition of leadership within the Jacksonville legal community. A double board-certified trial lawyer in Business Litigation and Civil Trial Law, he has built a respected practice while maintaining a deep and sustained commitment to service within the profession.

His leadership at both the local and statewide level speaks for itself. Braxton currently serves on The Florida Bar's Board of Governors and Executive Committee, where he has chaired and co-chaired key committees focused on legislation, investment, and programming. He also serves as the 2025-2026 Chair of the Trial Lawyers Section and is a past president of the Jacksonville Bar Association.

Beyond his titles, Braxton has consistently demonstrated a willingness to serve, to listen, and to contribute in meaningful ways. He approaches leadership with thoughtfulness, respect, and a clear commitment to the profession we share.

Jacksonville has a longstanding tradition of contributing leaders to The Florida Bar, and Braxton continues that tradition with integrity and purpose.

We are proud to support Braxton and encourage others to do the same.

Respectfully,

Past Presidents of the Jacksonville Bar Association
