

Dear Members of the Business Law Section,

It has been a privilege to serve as leaders of the Business Law Section of The Florida Bar. Through our collective service, we have learned that effective Bar leadership requires more than vision — it requires governance experience, fiscal discipline, operational understanding, and the ability to make careful, informed decisions that affect more than 115,000 lawyers.

In this contested election for Florida Bar President-Elect, we strongly support ***Paige Greenlee***.

Paige understands how the Bar works. She served on our Section Executive Council from 2013 to 2022 and chaired the Retreat Committee and CLE Committee, while also playing an active role in Communications. She understands the value of Sections, the importance of member engagement, and the operational realities behind Bar programming.

Beyond the BLS, Paige has served as President of the Young Lawyers Division, has been an elected member of the Board of Governors since 2018, and has served on the Executive Committee. She has chaired or co-chaired key committees that directly impact governance and oversight, including Disciplinary Review, Communications, Technology, and Program Evaluation. She regularly attends budget workshops and takes seriously the responsibility of stewarding the Bar's resources thoughtfully and responsibly.

In a time when ambitious promises can be easy to make, Paige brings something different: deep institutional knowledge, good listening, disciplined leadership, and a practical understanding of what the Bar can and should do.

This is a contested election, and your vote matters.

Voting takes place February 27 through March 15, and ballots are available in your Florida Bar member portal.

We encourage you to review Paige's experience at www.VoteForPaige.com, and we respectfully urge you to cast your vote for Paige Greenlee for Florida Bar President-Elect.

Respectfully,
